

Accepted Items

Greenock Transfer Station

564 Concession Road 10, Chepstow

Reminder: Only Bagged Garbage is accepted at the Greenock Transfer Station and must be in Clear Bags

Only household bagged waste, with the exception of hazardous waste, will be accepted at the Greenock Transfer Station. Staff may direct residents to the Brant Landfill, depending on materials.

A Transfer Station is a landfill location that collects waste, but instead of storing it on site, transfers it to another landfill location. The Greenock Transfer Station transfers all waste to the Brant Landfill.

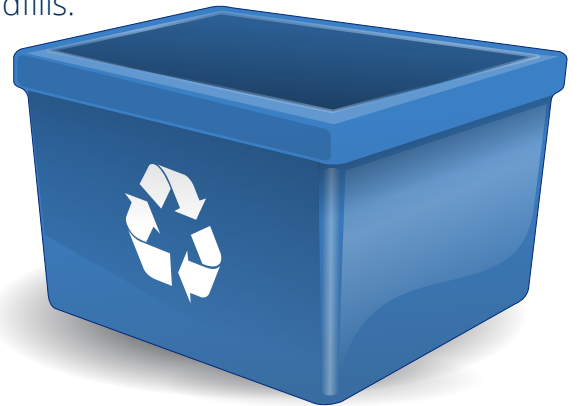

Recycling Programs

The Municipality of Brockton has a number of recycling programs for residents to take advantage of in order to extend the life of the Brockton landfills.

All blue box materials are accepted at the Greenock Transfer Station location: glass jars and bottles, certain plastics, box board, paper and metal cans are accepted. For a full list, visit brucerecycling.com/what-can-i-recycle.

All accepted blue box materials are free to dispose of.

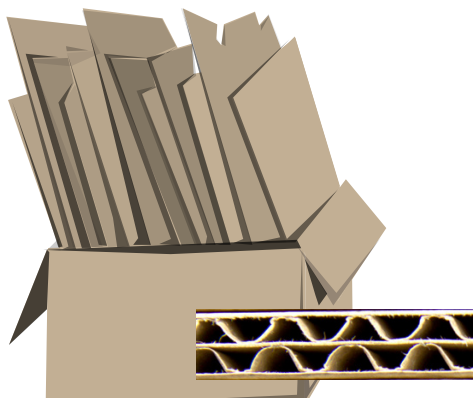

The Greenock Transfer Station has a compost pile that is used for household compost, yard waste and leaf collection. If depositing bagged compost, the only bags that are permitted are the biodegradable Kraft paper waste bags will be accepted. Under no circumstances will plastic bags be accepted. Brush, with branches 3" or less are also accepted. Stumps are not accepted.

All approved compost and brush materials are free to dispose of.

Mattresses and box springs of all sizes are accepted at the Greenock Transfer Station.

Mattresses and box springs are accepted at a cost of \$20 per unit.

Corrugated cardboard is accepted at the Greenock Transfer Station. Flattening and bundling the cardboard is recommended to conserve space. Waxed boxes, box board and packaging cardboard are not accepted. Check for the waves!

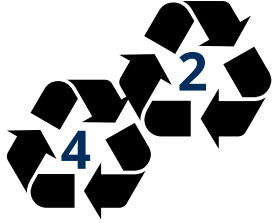

Cardboard is free to dispose of.

Hours of Operation:

Hours: Saturday 8:00am - 4:00 pm

Recycling Programs

Film plastics, identified with the 2 or 4 recycling symbols are accepted at the Greenock Transfer Station free of charge. This includes: bread and milk bags, dry cleaning bags, bottled water over wrap and more.

Film Plastics are free to dispose of.

The Greenock Transfer Station accepts ten tires per resident per day, tires for cars, wheelbarrows and more are accepted. Tires must not be on rims.

A maximum of ten tires are free to dispose of per resident per day.

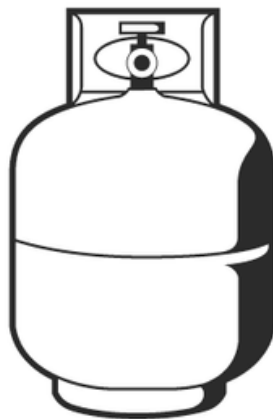

All large appliances are accepted at a cost of \$10 per appliance. Appliances that contain freon are required to have a freon free tag to verify that the freon has been removed.

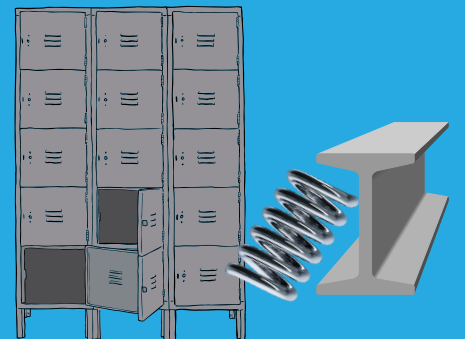

Batteries, including: alkaline and primary, rechargeable, automotive and marine, are recyclable at the Greenock Transfer Station.

Empty propane tanks are accepted at the Greenock Transfer Station at \$5 each unit.

Scrap Metal is accepted at the Greenock Transfer Station free of charge. All Metal or mostly metal items are accepted.

All recycled materials needs to be cleaned and free from contaminants before being disposed of.

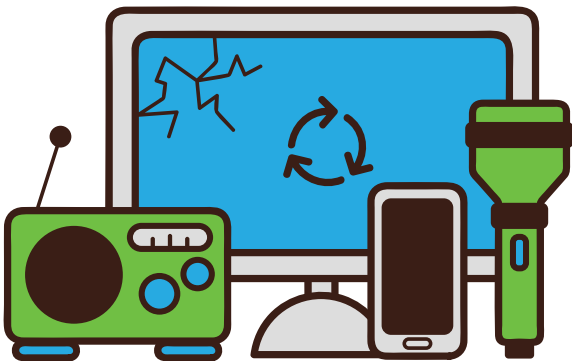

Hours of Operation:

Hours: Saturday 8:00am - 4:00 pm

Selected items cannot be recycled or disposed of at this location. As such, below are the appropriate locations for disposal / recycling.

Polystyrene or styrofoam is recyclable at the MTO Recycling Yard at 320 Kincardine Highway, Walkerton. As this product is 95% air, the Municipality condenses the product as much as possible, so stickers and tape need to be removed prior to recycling.

Only clean polystyrene will be accepted!

Electronic Waste is accepted at the Brant Landfill and the MTO Recycling Yard. If the product has a plug - or can be plugged in like a cell phone, then the product is accepted as electronic waste. Large appliances like fridges, stoves, laundry pairs, or appliances that contain freon are not considered electronic waste.

The County of Bruce manages the collection of hazardous waste in the Municipality of Brockton. For more information on collection days and for what is accepted, please visit brucecounty.on.ca.
