Brockton
Come home to community

Dear parents and guardians,

Welcome to Brockton's Summer Day Camp Program!

This Camp Handbook is your guide to 9 full weeks of Summer Day Camp. Our goal is to provide the best experience possible for your child this summer. Please take the time to read thoroughly, and keep it handy as an information resource.

We believe that summer camp provides children with the opportunity for healthy growth and development, as well as to embark on new friendships. Our activities are designed to be age appropriate, safe and fun! To ensure that programs are of the highest quality, we incorporate the **HIGH FIVE®** Principles of Healthy Child Development into all program designs.

We see parents as partners in the summer adventure and **want to know more about your camper**; ultimately we welcome suggestions and communication prior to camp by emailing recreation@brockton.ca, as knowledge and safety are our top priorities. Please note that as trained leaders providing a quality child care experience, we have a **"Duty to Report"** in many instances; further details can be found in this guide. Please introduce yourself to our camp staff and get to know them. Each of our staff have been carefully selected based on their skills, talents and commitment to healthy child development. They will be happy to answer any questions.

Looking forward to a wonderful summer of Fun and Play!
